MANGOSTEEN POWER:

Mangosteen is a rare fruit primarily found in Southeast Asia and scientifically known as *Garcinia mangostana*. No relation to the mango, it has been hailed as the “Queen of Fruits” and has been used for centuries by Asian health practitioners for a variety of conditions.*

Of all the known sources for xanthones, the mangosteen supplies some of the highest amounts found in nature. Xanthones are a biologically active phytonutrient with very potent antioxidant properties.

The entire mangosteen fruit, including the pericarp (rind) and pulp, is utilized during Vemma’s proprietary extraction process. This intricate method helps ensure that the highest levels of nutrients are included in the Vemma formula.

FACT

The mangosteen pericarp (rind) and pulp were traditionally used to concoct teas, juices and topical ointments.

THE SCIENCE OF MINERALS:

Your physical well-being can be more directly dependent upon the minerals you take into your body than almost any other factor. Minerals help support of organs, bones and the immune system.* Vemma has a unique mineral blend to help your overall well-being.* It contains 100% ionic, life-giving minerals that are reduced to the smallest, most bioavailable form. Vemma’s minerals are sourced from plant vegetation that has been undisturbed for thousands of years. These unprocessed phytonutrients include over 65 major, trace and ultra-trace, plant-sourced minerals.

- The body cannot survive without nature’s fundamental minerals, yet it cannot manufacture minerals. They must be obtained from the diet or through supplementation.
- Modern-day diets may lack the appropriate balance of minerals due to mineral-depleted soils and over-processed foods.
- Minerals are needed for energy production, protection from free-radical damage and other vital functions.*
- Minerals provide a foundation for your optimal well-being.*

Supplement Facts

Serving Size 1 Can (245 mL/8.3 fl oz)

	Amount / Serving	% DV
Calories	50	
Total Carbohydrate	14 g	5%*
Sugars	5 g	†
Vitamin A (100% as beta carotene)	2500 IU	40%
Vitamin C (as ascorbic acid)	300 mg	330%
Vitamin D ₃ (as cholecalciferol)	1000 IU	125%
Vitamin E (as d-alpha tocopheryl acetate)	60 IU	270%
Thiamin (as thiamine hydrochloride)	1.5 mg	125%
Riboflavin (as riboflavin U.S.P.)	1.7 mg	130%
Niacin (as niacinamide)	20 mg	125%
Vitamin B ₆ (as pyridoxine hydrochloride)	5 mg	290%
Folate (as folic acid)	800 mcg	120%
Vitamin B ₁₂ (as cyanocobalamin)	15 mcg	625%
Biotin (as d-Biotin)	300 mcg	1000%
Pantothenic Acid (as calcium d-pantothenate)	10 mg	200%
Calcium	18 mg	1%
Iron	7 mg	38%
Selenium (as selenium amino acid chelate)	140 mcg	255%
Silica (Horsetail herb <i>Equisetum arvense</i>) [Equivalent to 286 mg raw herb] Standardized to 7%	20 mg	†
Proprietary Wildcrafted Mangosteen, Organic Glyconutrient-Rich Aloe Vera and Organic Decaffeinated Green Tea Blend	25.2 g	†
Reconstituted Mangosteen Juice (<i>Garcinia mangostana</i> L.) (fruit), Aloe Vera Gel (leaf), Green Tea (leaf) (decaffeinated), Mangosteen Extract (pericarp) (standardized 10% xanthones)		
Proprietary Plant-Sourced Major, Trace and Ultra-Trace Mineral Blend	956 mg	†

* Percent Daily Values are based on a 2,000 calorie diet

† Daily Value (DV) not established

Other ingredients: ultra-purified reverse osmosis water, xylitol, organic cane sugar, natural flavors, malic acid, potassium sorbate (flavor protection), citric acid, Rebudioside A (Stevia) and xanthan gum

PRODUCT USAGE:

Tumble gently and serve cold. **Keep out of reach of children.**

If you are pregnant, nursing, have an allergic reaction or a medical condition, consult your healthcare professional before using this or any other dietary supplement. Keep in a cool, dry place out of direct sunlight for maximum shelf life.

TARGET MARKET:

Vemma Renew is perfect for individuals of all ages that desire an ultra-premium supplement on-the-go and are interested in vitality and building a strong nutritional foundation for overall well-being.* Vemma Renew is non-carbonated, contains no caffeine, and has 5g of sugar. With a refreshing fruit flavor, Vemma Renew offers a convenient and delicious way to get the nutrients your body needs — renew from the inside out.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

FREQUENTLY ASKED QUESTIONS:

Why supplement with Vemma Renew?

The answer is simple — Vemma Renew is one complete, ultra-premium liquid formula that provides your body the nutrients it needs for peak performance. Renew your body from the inside out with superior nutritional ingredients that work quickly to support its 63 trillion cells and fight the aging effects of free radicals.* Free radicals are unstable molecules that remove electrons from a healthy cell, destroying the cell in the process. Every day, your body's cells are being bombarded by these unstable molecules. Without a strong nutritional foundation, your cells may be more susceptible to free-radical damage; this proprietary formula can help protect your body from the effects of these free radicals.*

Is it true that xanthenes are the most studied group of compounds found in mangosteen?

It is true. This particular class of plant nutrients are highly, biologically active and are unique because they possess very potent antioxidant properties.* Of all the known sources for xanthenes, the mangosteen supplies some of the highest amounts found in nature.

Why are major, trace and ultra-trace, plant-sourced minerals used?

Because plant-sourced minerals come from Mother Nature herself! Here's how it works: Plants assimilate minerals from the soil they are embedded in, and in the process, they become highly nutritious for humans to eat. Minerals can be found in nearly all foods that are grown in soil, but the problem is, modern-day food processing and overused croplands make it nearly impossible to get a wide spectrum of minerals from our diets. Vemma's minerals are not man-made, but are carefully extracted from plant vegetation that has been undisturbed for thousands of years, to help replenish the full spectrum of minerals, at levels that nature intended. Major, trace and ultra-trace indicates a level at which a mineral might be needed within the body; however, it is not indicative of the importance of that mineral — all minerals are vital to life. In minute amounts, these nutrients can produce unexplainable, beneficial changes in body chemistry.*

Which minerals are included in Vemma's proprietary mineral blend found in Vemma Renew?

The proprietary mineral blend contains over 65 major, trace and ultra-trace minerals. Because we source our minerals from naturally occurring plant vegetation, the level of individual minerals may vary slightly from batch to batch.

What is organic glyconutrient-rich aloe vera and why is it important?

Organic aloe vera is a powerful glyconutrient that originated in Africa and has been used for centuries because of its versatility and life-giving minerals, vitamins and polysaccharides. It is also known to support immune function and provide antioxidant benefits for overall wellness.*

Why is organic decaffeinated green tea important?

Green tea is well studied and documented for its traditional use. Organic decaffeinated green tea is added to Vemma, the formula found in Vemma Renew, because it possesses numerous compounds that provide additional antioxidant protection.* We elect to use a decaffeinated source to keep our consumers' best interest in mind since caffeine consumption may not be appropriate for everyone.

What is plant-sourced silica and what are its benefits?

Plant-sourced silica is an ingredient known to maintain skin, nails and hair.* This ingredient was added to Vemma Renew as an additional product benefit for an ultra-premium nutritional supplement.

Why were the sweeteners chosen for Vemma Renew?

The inclusion of premium ingredients, formula efficacy and flavor in the Vemma products are our highest priorities. After extensive research and testing during the product development phase, we chose to combine organic cane sugar with xylitol and stevia because they are naturally-derived sweeteners — not artificial ones — and are compatible with the overall formula and flavor of Vemma Renew. This sweetener blend helps keep the calories, sugar and carbohydrates lower to best support a healthy lifestyle.

What are the similarities and differences between Vemma and Vemma Renew?

Vemma and Vemma Renew both are non-carbonated, caffeine-free and contain the full serving of the Vemma formula. Vemma Renew is an on-the-go beverage that features 20mg of plant-sourced silica as an additional product benefit.
