Eligibility is based on having an order of at least 25 points per month for six (6) consecutive months or by placing a minimum 25 points product order for six (6) consecutive months. Once a Customer or Affiliate has purchased their sixth consecutive monthly order, the Customer or Affiliate will receive a case of free product.\* Customer or Affiliate can continue to receive free product every six (6) consecutive months from the last redeemed free product order.\*

\*Does not include tax and shipping. Free order will be the equivalent of the lowest order placed over the six-month qualifying period. Free product must be redeemed within two (2) months of the qualifying six-month period or it will be null and void. The free product amount will be either 25 or 50 points after meeting the six-month qualification time frame. Free product does not carry qualifying volume (points) or commissionable volume. For complete details visit Vemma.com.

\*\*The free products sent to customer and Affiliates are subject to reporting on form 1099-MISC. For Affiliates, the free product is considered taxable compensation for services. For the customer, the free product is a taxable prize or award. In both cases, the amount of taxable income to the recipient is the fair market value of the merchandise.
